From the marginal statement appended to Govt Order No. G. 2679-88 S.M. 108-07-2 dated the 24th Oct. 1907 it will be seen that the professional clock-winder is to look after about 80 clocks on a monthly remuneration of Rs 26 which sum is contributed from the contingent allowances of the various Offices (14 in number) named in the said G.O.

3 of these are situated outside the Public Office buildings

For the 24 clocks of the S.R.S. the man is paid Rs 5 from the contingencies of this office, and annas 8 for the clocks in the S.R.S. stores.

It is a question for consideration whether he should be entrusted with the work of attending to the clocks & timepieces of the Demany Office (4 in number) also on the present remuneration of Rs 5-8 (Rupees) only or some extra small remuneration should be given to him in view of the extra labour involved.
